U.S. Dept. of Transportation

Attend this hands-on, information packed seminar, and find out:

* What items trigger a safety audit
* What questions will be asked
* What records will be checked
* How records are selected
* Differences in acute and critical violations
* How penalties are determined
* How your carrier rating is determined

The benefits of attending include:

Know for sure you are ready for an audit
Know how to better maintain driver files
Receive 120 minutes of required alcohol/drug supervisor training
Learn how to respond to a penalty claim letter
